

Be an Angel with Tan Sri Michelle Yeoh

🍷 🍷 VOLUNTEER TESTIMONIALS 🍷 🍷

For every EMPOWERED event, we have been blessed with wonderful volunteers who were trained to ensure that their responsibilities and tasks contribute to the event running smoothly.

Although surprises occasionally pop up unexpectedly, these volunteers are trained to expect the unexpected and deliver their duties with minimal supervision.

‘Be an Angel with Tan Sri Michelle Yeoh’ was indeed a memorable event with much learning experience for all involved.

EMPOWERED sincerely thanks volunteers who came from universities, multinational companies and other individual volunteers who had come forward to selflessly offer their talents in photography, music and event management. EMPOWERED is grateful to them for their generosity for self and time.

We hope to see you at our next event!

Below are some testimonials from our lovely volunteers:

Yen Chia Huei, GSK volunteer

“I’m actually very surprised that the event is organized in a very professional manner as I didn’t expect much thru charity. The experience is definitely rewarding as the planning is what I actually learn a lot. I am also very happy to see the so many volunteers and especially the gen-Ys”. – Yen

Lee Teck Wui, IMU volunteer

“Although I was just playing a small role, I feel very glad to be a part in this event as I actually had a chance to experience such a grand charity event. It was a very pleasant experience to work with all the volunteers that came from different places and age group”. – Teck Wui

Yee Yii Ching, IMU volunteer

“It was actually my second time volunteering for EMPOWERED’S charity event and I was really surprised how both events were so different from each other. I am happy and proud to say that both charity events have enriched my experience and soft skills as a future health practitioner. I would really like to volunteer for EMPOWERED’s future events as well”. – Yii Ching

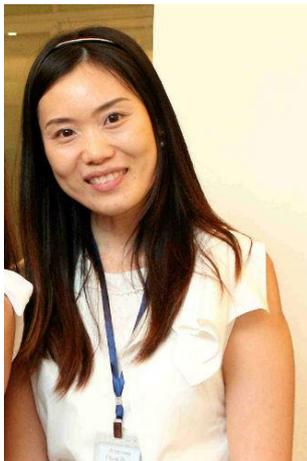

Chia Zoe Ying Zheng, IMU volunteer

“The best part of volunteering for EMPOWERED is the people I get to work with and meet. Although it was a formal event, the organizers were pleasant with just the right amount of sternness to ensure everything ran smoothly. I would definitely volunteer for more of EMPOWERED’s events to be able to work with such a delightful circle of people”. – Zoey

Catherine Sim, volunteer/ music sponsor

“This was my first time taking part in an EMPOWERED event and I must say, I had a thoroughly enjoyable time. The staff and volunteers were very friendly and professional, and also laid back enough so that we felt comfortable in the event. I also played a very small part (being an amateur musician) but I will definitely support and volunteer for EMPOWERED’s future events”. – Cat

Jolene Tay, GSK volunteer

“It was a great experience to be the volunteer in such a tremendous meaningful event. Thank you EMPOWERED giving me this opportunity to help the community, let’s work together to create cancer awareness”! – Jolene

Jonathan Lim, IMU volunteer

“Volunteering for the recent 'Be an Angel with Tan Sri Michelle Yeoh' event was an interesting experience to say the least. This gave me an opportunity to see a different side of the EMPOWERED's operations as IMU student volunteers are usually involved in the outreach and community service aspect of EMPOWERED. As a medical student, getting to meet other volunteers from the pharmaceutical industry gave me and insight into other aspects of patient care. Looking forward to more experiences with EMPOWERED”. – Jon

Christine Chen, IMU volunteer

“The experience of volunteering in a charity dinner was indeed a memorable one. I was grateful to have this golden opportunity to learn how to organise such a grand fund raising event and working together to achieve the goals. I was taught that it was not always easy to raise funds in order to run health screenings to help more people”. – Christine

Ralph Balan Langet, volunteer

“There's nothing better to live life more meaningfully than by being a part of a cause to help those in need. Helping out in EMPOWERED was truly a life enriching experience and definitely a great place to give back and help society”. – Ralph
